

# PARENT ROSTER - 2009-2010 SEASON

Please note: while the Weekly Event Program carries over if a week is cancelled due to wet weather, the Parent Duty Roster is date based and will not change. If wet weather cancels a Saturday carnival when you are on duty, that is your good luck - one less duty in the season!

- ❖ "Equipment Out" requires the assistance of **ALL parents from the age groups on duty**, and must commence by 7am in order to have the equipment ready for the start of the carnival.
- ❖ "Canteen and BBQ" requires the assistance of 2 or 3 parents for **each** area throughout the carnival, and this could be broken into 'shifts' of perhaps 1 hour each.
- ❖ "Data Entry" requires the assistance of 3 or 4 parents from the age group throughout the carnival, and can also be broken into shifts.
- ❖ "Equipment In" requires the assistance of **ALL parents from the age groups on duty**, and will require those parents to remain until the completion of ALL events (not just the events of the Age Groups on duty or their own child) to ensure that all equipment is packed away before we vacate the oval at approximately 12 noon.
- ❖ Age Managers may wish to consider a 'roster within a roster' to ensure that all responsibilities are met and make sure that everyone in the age group does their fair share.
- ❖ All parents must complete the "Sign on Sheet" at the entrance to the field to be covered by insurance. Parents who are not assisting with the running of the carnival and who do not 'sign on' **are not permitted on the field, but must remain in the grandstand or on the grass adjacent to the track.**
